Application for Time-of-Use Service

Name(s) _____ Account _____

Billing Address _____

Physical Address / Location _____

Primary & Alternate telephone numbers _____

I hereby make application to Duncan Valley Electric Cooperative to enroll and to be placed on the Single Phase Time-of-Use Service (SPTOU).

I understand that I will be billed for the electricity purchases I may make at prices established for Time-of-Use Service as outlined in the SPTOU tariff, and I will pay for such purchases when the bill is rendered.

I understand that this rate will take effect to coincide with the start of the next monthly billing cycle.

I understand that I do not have to use less electricity to save money on the Time-of-Use Service, however to save money, I must monitor my usage so that at least approximately 70 percent of the electricity I consume is used during off-peak hours. I further understand that not shifting enough of my usage to off-peak hours could result in a bill that exceeds that of a bill on the standard Single Phase Service (SP) rate.

I understand that no credit or billing adjustment will be made if I would have paid less under the standard Single Phase rate

I may decide to change back to the standard Single Phase rate at any time, but then would not be allowed to apply for the SPTOU rate again for 12 months.

I acknowledge that I have read and understand this application and the accompanying SPTOU tariff which outlines times and dates for on-peak and off-peak hours and corresponding charges.
