CONDITIONS OF SERVICE:

- 1) Installation, operation, maintenance and ownership of all lamps, poles, and fixtures shall be according to contracts between the Consumer and the Utility, or as such contracts shall be modified, from time to time, by the Consumer and the Utility, or according to the Utility's Line Extension Policy.
- 2) Installations may be inoperative during periods within a month, but such periods shall not cause the net rate per month to be adjusted.
- 3) The consumer's installation shall conform to City, County, State, and National Electrical Codes and Electrical Safety Codes.
- 4) The consumer shall not resell or share electric service with others.
- 5) Special conditions of service shall be covered by contract.
- 6) The Utility's rules and regulations, filed with the regulatory body, shall apply.

ADDITIONAL TERMS AND CHARGES:

The charges specified herein shall be in addition to any charges authorized by regulatory bodies including, but not limited to, competition transition, Renewable Energy Standard Tariff Surcharge and other system benefits charges. Service is available under this tariff on a "provider of last resort" basis only to those customers who qualify for such service.
